

INTRODUCING

OFF THE PISTE

NEW SEASON / NEW STYLE

The evenings are getting darker, it's colder and the smell of wax is in the air. That can only mean one thing...a new season is about to start! At OTP we've always been leading the way and this year we have a new name to celebrate as well: OFF THE PISTE

SAME GREAT SERVICE

If you've worked with us before you will know that our service isn't just about your holiday, at OFF THE PISTE it's also about helping you make your club the best and most successful it can be and that's still our top priority.

NEW EVENTS

Following the great success of On The Pond we plan to launch a new range of holidays and events both in the UK and overseas for you to take part in – that is what we are all about and is well reflected by our new name OFF THE PISTE. Watch this space for more details!

INVESTING IN STUDENT SNOWSPORTS

Student snowsports is our passion and we're delighted to reveal an exclusive sponsorship deal between OFF THE PISTE and Kings Ski Club. This partnership will help raise the profile of Kings in many ways, including a new website to encourage more people to participate in competitive snowsports on a grassroots level.

IMPROVED SAFETY

The safety & security of you and your group members have and always will be paramount. For the new season OFF THE PISTE have further increased this with a new Safety Management System and the added back up of a UK based 24/7 emergency contact number.

FREE MERCHANDISE

From today we want YOU to be part of the OFF THE PISTE experience, to help launch our new name and logo we would like to give you some hot off the press, limited edition OFF THE PISTE merchandise. Come find us at the upcoming Kings Races where you can collect an exclusive new OFF THE PISTE Tshirt - not available anywhere else - and loads of other goodies to kick start the new season.
